

Declaration of Trust Recitals

(This is the real thing, not a fake or even a plagiarized document. I mean it! It's real. Test it with chemicals. Look at the watermark. Lil' Miss Baba Kewtie-pie really typed this with her own little hands. And she sent it through so it could be filed. Honest. This is NOT, I repeat, this is NOT a Fraud.)

Whereas: The name of this Trust shall be known as the IBT, 2011 Church Trust.

Whereas: Trustor, IBT, being a local New Testament Church pursuant to all of the pursuants in a legal Trust document,

And Whereas: Lil' Miss Baba Kewtie-pie doesn't sing much for these Recitals;

Be it known Now Therefore: Trustor, IBT, a local New Testament church, in the city of Indy, County of Mary, State of Ind., transfers to the Pastor of this Church, Namely, Gerg Nalla Dick's Son, as Trustee, everything, including the chairs that were paid for three times over, oh, and the lights that were paid for several times also.

Note: This is a pretend parody document. Any resemblance to the real document is hereby repudiated by this note. These people have absolutely no sense of humor. And they certainly have no shame. In this parody document, IBT stands for "I'm Ben Townsend." And for verification purposes, the word "church" is misspelled two times in this document.
